Regents Met Latter Part of September

Reports of Superintendent and Treasurer Made for Six Months. -Case Work Reviewed

At the semi-annual meeting of the Board of Regents of the Presbyterian Orphans' Home here on September 29th, it was announced that $20,200 in government bonds were in hand toward a proposed new church and that a $10,000 legacy for one of six proposed cottages of a six-cottage children's village for the smaller boys and girls had been paid in since the last meeting of the board.

Most of the government securities for the new church are memorial donations and the legacy paid came from the estate of the late Mrs. James K. Mebane of Washington, D. C., in memory of her husband. Receiving this bequest makes $27,000 in hand for three of the six cottages.

These facts were brought out in reports made to the board by J. B. Johnston, superintendent, and Ernest Milton, treasurer.

Mr. Johnston's report covered the entire field of operations at Barium Springs, taking up the workings of each department. He stated that the truck farm and fruit crops were slim, but that there had been a good return, for the most part, from the big farm. He revealed that there were 297 children in the Home at the present time.

Plans were started by the Re-

New Members Are On Permanent Committee

Synod Made Selections at Recent Meeting. —Entire Personnel of Ten Is Given

Two men in the Synod of North Carolina will be functioning for the first time this fall as members of Synod's Permanent Committee on Orphanage work. These are C. Spears Hicks, of Durham, who will direct the emphasis in Granville Presbytery, and Hugh A. Query. of Gastonia, who will be in charge for Kings Mountain Presbytery.

These two and Rufus A. Grier, of Charlotte, who is Mecklenburg's chairman, were named for three-year terms on this permanent committee at the recent meeting of the Synod of North Carolina. Mr. Grier served in 1942-1943, filling out an unexpired term, and his work was so effective that Synod selected him for a full three-year tenure.

The other seven members of this committee were continued, for

Lt. Fred Lowrance Was Killed In Action

Definite Word Was Received from His Chaplain That He Lost His Life on July 30th

Late on the afternoon of Sept. 29th Mr. and Mrs. J. H. Lowrance, of Barium Springs, received word that their son, Second Lieutenant Fred J. Lowrance, was killed in action on July 30th in the New Georgia area of the Solomon Islands. Mr. and Mrs. Lowrance were notified by the war department on August 21st that their son was missing in action, and the definite statement that he was lost in battle was received in a letter from Captain Dudley H. Burr, chaplain of the 169th regiment, with which the late Lieutenant Lowrance was attached.

The chaplain wrote these Barium Springs parents that Lieut. Lowrance was last seen on July 30th wounded but firing his pistol at the advancing enemy. He said that the "attack came suddenly, which coupled with the excitement of battle, leads me to say that he suffered little, if at all."

On July 31th another regiment was assigned to that territory in which Lieut. Lowrance lost his life. His body was found when this regiment regained the lost territory and the chaplain wrote that it was removed to the central national cemetery on New Georgia island, where all of the soldiers lost in the Southwest Pacific area would eventually be buried. The fact that he was buried by another regiment other than his own accounted for the delay, he wrote, in getting definite information. Until such could be obtained he had to be reported as missing in action.

Capt. Burr paid a glowing tribute to the Barium Springs boy, who was born here, attended the schools at this Home and thus spent most of his almost 25 years in this vicinity. In his letter, Captain Burr wrote "You may all be proud of the splendid service which Lieut. Lowrance gave to his country—a good soldier who fought for God, for country and for no reward. He died for his beliefs; there are so many people in this world who just die."

Lieut. Lowrance was born at Barium Springs on October 14, 1918, just before the last war was concluded. Until he graduated from high school at Barium in 1937 he had spent all of his life here. He attended Davidson College and Appalachian Teachers' College and for a time he was affiliated with the Statesville Flour Mills and later with the Children's Home at Lexington. He entered the army as a private, was promoted to sergeant and was selected for Officers' Candidate School from which he

Good News

Royal Oaks Sunday School, one of the most recently organized Sunday Schools in a new church in Concord Presbytery, has started the Offering-per-month plan for Barium. The first response in September was $4.33; it jumped to $10.25 in October.

Asheboro Sunday School in Orange Presbytery has started the Offering-per-month plan and has sent three responses for August, September and October. This Sunday School once used the fifth Sunday plan, but this has been changed to once a month. There's a possibility that Asheboro will join the $100.00 Club. If they don't do it in 1943-1944, they will in 1944-1945 when responses for a whole year will be available.

WHICH SUNDAY SCHOOL IS NEXT?

Thanksgiving Funds Have Started Arriving

Thanksgiving Gifts of $1,498.75 Had Been Received by October 22nd. —Big Emphasis in Nov.

There are some individuals who follow the annual custom of making their Thanksgiving Offerings to Barium Springs even before the season gets under way, for they realize that their contributions before the large influx of such donations from the churches and individuals will be particularly useful to the Home in its operation.

As the time arrived for going to press with the October copy of the paper on the 22nd, Thanksgiving sums in hand were tabulated and these totaled $1,498.75. Of that sum, $1,191.00 is what is listed in The Messenger as "Miscellaneous" which means that they arrive direct from individuals and are not credited to any church. The remaining $307.75 was received from people who designated that certain churches were to receive credit or they came from one or two organizations.

It was announced two issues ago that an alumnus had left $40.00 as his Thanksgiving Offering for Barium on a visit here and only $100.00 appears in this issue of the

Very Interesting

A few years ago a comparatively small Sunday School, which never before did so, instituted the Offering-per-month plan for this Home, and as a result they have had more money in the treasury than at any previous time. In sending a quarterly sum recently, the treasurer told about this as follows:

"I'm proud to know we have doubled our contribution to the Orphans' Home this quarter. and hope to keep up the good work.

"One reason it was so good this quarter was that the third Sundays were fine days, with good attendances.

"I believe the Sunday School for the past two or three years, has given more than it ever has. We got so much ahead that we presented the church with a nice pulpit Bible last second Sunday. It cost $28.35. Then we had enough to pay for literature for the next quarter and $27.09 over."

These statements simply corroborate what has been said and written so many times, i. e., an offering can be contributed each month to Barium Springs and more money somehow becomes available for other purposes. It simply is a means of developing benevolent giving. Once the plan is in operation it is seldom discontinued unless some unexpected local expense makes it necessary.

Over $1,000 Increase In Bonds In A Month

On October 22nd, Government Bonds for Proposed Church Had Passed Sum of $21,100.00

In the September Messenger it was announced that $20,000.00 in government bonds of the Series F issue were in the hands of Barium Springs for a proposed church and educational building, but there was considerably more than a $1,000.00 increase in such securities within a month's time. On October 22nd, the bonds in hand numbered $21,100.00, with $7.80 of cash towards the next purchase.

On April 1st, the record showed this to be $15,100.00, so there has been a gain of $6,000.00 in a period of seven months. The advances have been gaining momentum all along.

All memorial contributions are going into bonds for that church, and then there have been contributions of bonds and money, some of which had the memorial thought behind them and others with no memorial idea attached.

Within the past month the following has arrived:

Mr. and Mrs. Coit Robinson, of Lowell, gave a $100.00 bond.

From Mrs. Bonnie Austin Petteway, of Charlotte, another $25.00 bond was received in memory of her father and mother, with the statement that she expected to follow this with more later. That is the second such donation from Mrs. Petteway.

Eugene Larry and Edward Bosworth, very young sons of Gene and Bobby Bosworth, brothers who graduated from Barium, sent a $25.00 bond.

W. Osborne Lee and family of Lumberton had a $100.00 Series E bond issued in the name of the Home.

Mrs. W. S. Wilson, of Davidson, sent a $100.00 check to be used in the new church.

The necessary blanks, properly made out in the corporate name of Barium Springs, will be furnished by Ernest Milton, Treasurer, Barium Springs, to any individual who wants to buy bonds for the proposed church or for any other need at Barium Springs. Individuals who have been purchasing these securities have been reading The Messenger and have had these made out in the name of "The Regents of the Orphans' Home, a corporation, Barium Springs, N. C."

Explanation Is Made of Thanksgiving Sums

Majority of Churches Have Made Best Responses In Recent Years.— 170 Best in '42

On the third and fourth pages of this issue of The Messenger are a lot of figures, the biggest number dealing with Thanksgiving responses in 1941 and 1942, as well as the greatest donation of the past 18 years and the year in which the peak sum was contributed. There are 536 churches or missions listed as having participated in either of the last two Thanksgiving seasons, and if the name of any place is omitted it is because no Thanksgiving Offerings have been received for the past two years.

Back in 1934 the Synod of North Carolina appointed a special committee to emphasize the Thanksgiving Offering for Barium. That special group has since become a permanent committee on Orphanage work. It is extremely interesting that since this corps of individuals started functioning in 1934 that 328 of the 536 churches can boast of their greatest Thanksgiving Offerings, with 170 of those 328 going to their highest heights in 1942.

The year in which these 536 have given their greatest Thanksgiving Offerings and the number in each of the past 18 years follows:

Year	Number
1925	66
1926	29
1927	50
1928	16
1929	17
1930	16
1931	4
1932	4
1933	6
1934	13
1935	18
1936	33
1937	7
1938	15
1939	22
1940	20
1941	30
1942	170
1943	???

A detailed examination of individual churches will show that many of them were within a few cents, and others within a few dollars, of touching new zeniths in 1942. It is the hope here that members in all churches will do their best to reach the greatest heights ever in 1943.

News From Some of the Cottages at Barium

HOWARD COTTAGE

We wish to thank Mr. Johnston for taking us to the show to see "Dixie" Tuesday. We all thought it was grand.

We went bean-picking Monday. We picked fourteen bushels. We have plenty of beans to string. We string them in the afternoon. We have invited the Synod's boys to heip us. They can do them as fast as we can. The Annie Louise girls are helping us, too. We have almost finished them.

We got our report cards Wednesday. The following girls made the honor rool: Hazel Creech, third grade; Betty McMannen, Mary Frances Price, and Louise Campbell, fourth grade, and Shirley Inman, fifth grade. We are very proud of them. All of us will try to make it next time.

Some of the girls have had visits from their people. They are Louise Campbell, Florence Andrews, Jennie Lee Phillips, Hazel Creech and Shirley Inman.

It has been raining today so we have to string beans inside.

PRINTING OFFICE NEWS

As you know, this is the backbone of The Messenger. When we say that we mean to say a few kind words for our workers.

As some of you know, we are paying tribute to "Hungry" Harold Myatt, one of our fellow workers. "Hungry," one day while roaming through the fields of corn, took a liking to be a farmer. He is now one of Mr. Clark's boys. "Hungry" was a "printer's devil," a fine one if I knew one. He could make a dirty roller shine. But "Hungry" is gone now and we have two to replace him, Donald Mitchell and John Meroney. They are two fine lads who have been with us six weeks.

"Ole" Paul Reid, one of the linotype boys, has just knocked off of work. I can say one thing for Paul, he is always here when you don't need him!

Ray Lewis, the boy who works five minutes a day and is asking for shorter hours, is the hardest worker down here; you should see him work to get out of work!

We tried to find Earl Allen right now but we decided he was asleep and we are talking in whispers.

Our mighty quarterback, James Reid, has gone to play against Children's Home. Donald is there, too. They started to take just those two and leave all the other boys at home, but the coaches decided to take the rest of the team because our stars might get tired. As you know, and as we said, they are a team in themselves. Now all that talk about not taking the other boys is what they said. They might have been talking through their heads, just in case any Children's Home scouts were around!

Mr. Kyles, our boss, said hello.

—Earl Allen

INFIRMARY

We have a few boys in bed on account of eating green hickory nuts. Better wait until they are ripe, boys. They are having a good time making airplanes.

We have received our first report cards. They are pretty good but could be better. Maybe we will improve next time.

We had our first home football game last Friday and were sorry to lose. Our boys played good, though, and we hope to win next time.

Mr. Parker preached to us last week and we enjoyed his sermons very much. Hope to have you again some time, Mr. Parker.

We are having cold weather these mornings and find it hard to get up but it is usually warmer by dinner-time so we don't mind it so much.

Our campaign for the purpose of selling war bonds and stamps turned out O. K., and we are glad to help our Uncle Sam in his time of need.

Dr. Martin has been here to clean our teeth but he is through now. All the teeth look brighter, Dr. Martin, you did your job.

Miss Frances O'Kelly went home last week-end to see T. L. O'Kelly who was home on leave. We hope she enjoyed her visit.

Mrs. Milton, the wife of one of the workers upon the campus, is in the hospital at Charlotte. We hope she will be well soon.

We had a short visit from "Aunt" Blanche Feimster and enjoyed it very much.

WOMEN'S BUILDING

Just at this time we are being inspired by the messages of Rev. J. K. Parker of Centre Church near Mooresville. We find his practical application of the truths concerning "The Word of God", which has been the subject of his discussions each evening, most helpful.

On Friday of this week we are looking forward to the first football game to be played on our field. Naturally we are anticipating a wonderful time. We opened the season with a 0-0 tie with Harding High. According to the reports of the seniors who attended the game in Charlotte our boys gave them a good game.

We were delighted to have some of the members of the board as guests in our building. Mrs. Walker, Mrs. Patterson, Mrs. Robinson, and Miss Johnson have lodged with us a number of times since they have been on the board and we have always looked forward to their coming.

The maples on the campus are very lovely just now. This is the season of the year that is so colorful because of the beautiful autum leaves.

Report cards are due next week. We are all anxious to see them so that we may know how we stand in our classes. We all hope to get S's but know that such a thing is hardly probable.

RUMPLE HALL

We will give a complete list of the girls in our cottage now:

Annie Marie Andrews, Jean Steppe, Lucille Brown, Nellie Isenhour, Dorothy Shepherd, Mary Morgan, Elsie Vest, Callie Dunn, Edna Thomas, Frances Rhyne, Annie Star Langley, Gwendolyn Landrum, Jean Turlington, Willie Mae Robinson, Lorena Hall, Elizabeth Johnson, Kathleen Monroe, Betty Sue Wolf, Lucille Holt, Helen Morgan, Joyce Katen, Betty Lou Williams, Vivian Jacumin, Melva Powell, Ann Pope, Ann Wicker, Frances Adams, Bessie Dishman, Evelyn Coates and Margaret Bullard. Mrs. R. A. Thompson is our matron. We like her very much.

The following girls have had visits from their people: Annie Star Langley's mother and father, Annie Marie Andrews' father, and Dorothy Shepherd's two sisters and her brother.

As you know our football season has started and our first game here will be Friday with Children's Home. (Come on, boys, beat 'em).

We have one girl at the Infirmary and we hope she will be up soon.

ANNIE LOUISE

You haven't heard from us since school started. We have been very busy with our school work.

We haven't "done" so very many beans this fall. We have had some painting done inside our house. Our playroom was sanded. We are so proud of it. Miss Hardin has just finished some pretty chintz curtains.

Pattie Inman has been in the Infirmary about three weeks with earache. She hopes to be able to come up this week.

Carol Jean Andrews has gotten a clothing box from some friends. Everything she got was so nice. We are anxious to get the rest of our new clothes. We always look forward in the fall and spring to getting our clothing boxes. Nothing gives us a greater thrill.

Our revival is going on this week. Mr. Parker is our guest minister conducting the services. He has helped us a great deal and we hope he will want to come back to visit us again soon.

Some friends from Wilmington sent us some candy last week. We all wish to thank them for it.

Miss Louise Everett, one of our substitute matrons who lives in our cottage, was away last weekend. She visited Lorene Brown in Whiteville. Lorene was a classmate of hers here.

Miss Greene, Barium's music teacher, went home last weekend.

Pattie Inman and Shirley Thomas are taking piano this year. Shirley expects to play at the first club meeting next week.

We like our new teachers, Miss Koon and Miss Vidal. We are glad to have Miss Brandon back in grammar school.

In the war loan drive, our girls bought about six dollars in stamps last week. We all have stamp books. We are trying very hard to fill them up.

You will be hearing from us again next month if the spooks and goblins don't get us Hallowe'en night. It isn't far off, you know.

SYNODS COTTAGE

We have gone to school a whole month now. Report cards will soon be ready. We are all hoping to have a real good one this month.

We went to town in the truck last Wednesday afternoon to be fitted for our winter shoes. The man at Belk's let us all look at our shoes in the X-ray machine. It was fun to be able to see our toes through our shoes. We have not worn our new shoes yet, but we will put them on as soon as it gets cold enough. We just can't wait to wear them.

The dentist has been fixing our teeth. Some of us had to have some pulled. We put our teeth that the dentist pulled under our pillow and sometimes we found a piece of candy in the morning. Miss Taylor says she just can't imagine where the candy comes from.

John Thomas Jordan has come to live with us. He seems to like staying with us. We are glad to have him.

Come to see us when you can

BABY COTTAGE

If we can be still long enough we will write you a letter.

We have lots of things to tell you but Donnie Campbell keeps saying, "Ookie! Ookie!" Charles Creech gets in the empty clothes box, and Donnie gets in, too. They say, "Bye," wave their little hands and off they go, rocking and singing "Wocky bye baby."

Ralph Huddleston and Clyde Andrews pull the strings out of their shoes! Loretta and Kate tried to wash their faces and they don't like a wash rag in such tiny hands. May Rose Privett rocks and pats her little feet on the floor. but we will write between time.

Jimmy Campbell's sisters came to see him Saturday. Idell and Clyde Andrews looked towards the big tree by the road and saw Daddy out there, and did they run?

Payton Miller's "dood" old daddy came to see him Saturday.

We had some visitors from Kannapolis, too. They thought our little pink and blue beds, and pink, blue and yellow chairs were pretty. Miss Ann Fayssoux Johnston has been helping us to get our cottage so cheery and pretty. Santa will like it when he comes Christmas.

Linda Inman had a visit from her daddy, too. Charles Creech was glad to see his sisters when they came a few days ago, and Jerry Thomas fairly flew to the seat under the big tree when "his people" came to see him.

When Jimmy Campbell was coming from the dining room the other day his sister said Jimmy, you've torn a hole in your pants" and Jimmy said, "That's O. K. I'm wearing new underwear, too.'

We went to walk the other day and went to the little cemetery. Bobby Terye and Shirley Johnson were walking 'round a grave and Bobby stopped and said, "'Scuse me, please." Babies like us know and feel something about a mound in a grave yard. We know it best as grave yard. We've seen a big hole in the ground and seen it filled up with a white box. See what we mean?

Charles Creech and Donnie Campbell are only two years old. The other night we heard a noise in the bath room and when we looked to see, Donnie and Charles had slipped out of bed and Donnie was standing on our little bath room stepladder, looking in the mirror combing his hair and Charles was mopping up the floor with a wash rag!

"Wock a bye". Oh, these Babies.

He is survived by his parents; a brother, Captain Wilson W. Lowrance, of El Paso, Texas, who was here when the message came about his brother's death, and two sisters, Mrs. Joe Rhyne of Tampa, Fla., and Mrs. Bruce Parcell, whose husband is a major in charge of the air field at Clearwater, Fla.

gents, too, to take care of the meeting of the Synod of North Carolina in September of 1944, that body recently accepting the invitation to meet here.

Among other things, plans were outlined for the approaching Thanksgiving offering emphasis, for it is during that period of the year when 50 per cent of the contributions from churches is received.

It is the policy of the Board to have some department's work presented at alternating meetings. The spring meeting was so full that no such presentation was made, but this fall a detailed discussion of the functions and work of the case work department was offered to the Regents present. Miss Rebekah Carpenter is Barium Springs' case worker.

Rev. S. H. Fulton, D. D., Laurinburg, presided as president, and Mrs. Coit Robinson, Lowell, was secretary.

New Members Are

their terms do not expire until later. The full personnel of the 10-man committee follows:

General chairman, J. Archie Cannon, Concord.

Albemarle Presbytery, Colon McLean, Washington.

Concord, Wm. A. Sherrill, Salisbury.

Fayetteville, J. B. McCallum, Jr., Maxton.

Granville, C. Spears Hicks, Durham.

Kings Mountain, Hugh A. Query, Gastonia.

Mecklenburg, Rufus A. Grier, Charlotte.

Orange, Ralph M. Holt, Burlington.

Wilmington, J. B. Huntington. Wilmington.

Winston-Salem, Thos. L. Wood, Winston-Salem.

These men are now contacting all of the pastors of the Synod and are asking for the appointment of local committees for every church and mission point in order that the local groups will see that every Presbyterian in the Synod has an opportunity to make a 1943 Thanksgiving Offering. They are getting all of this lined up, so that the proper emphasis can be placed upon the work of this Home at Barium Springs during the time allotted to it by Synod.

After the local committees' names are furnished officials at Barium Springs, leaflets will be sent to them for distribution and use during the Thanksgiving season. To the Auxiliaries have already gone over 25,000 booklets entitled "Pride and Appreciation of Alumni", along with envelopes for Auxiliary members, and soon the remaining Thanksgiving Offering envelopes will be mailed to the pastors so as to be available for use in their churches at the right time.

paper, $50.00 apiece from two individuals belonging to the same church. The other donations making up the amount in hand the latter part of October will be tabulated in the next issue of The Messenger.

These are the vanguard gifts of what is expected to be a banner Thanksgiving report for this Home during the season of 1943. Last year, the churches sent $56,013.38 and from individuals $6,285.20 was welcomed as 1942 Thanksgiving responses for a grand total of $62,298.58. That was the greatest Thanksgiving aggregate ever received and more than likely it will be surpassed when the final tabulation has been made of the 1943 reports. That is the trend in the pre-season gifts recorded at Barium Springs.
